

Louisville Municipal School District
Pre K Program Registration
For 2021-2022 School Year

The Pre-Kindergarten Program is located at Fair Elementary, South Columbus Avenue, Louisville, Mississippi. Students are screened for enrollment by a pre-kindergarten test. Participation is not based on first come, first serve but by placement screener. The classes will begin and end to coincide with the regular school term at LMSD. Participating students' parents will be required to provide transportation to and from Fair Elementary. As other children in the school district, pre-k students will be offered breakfasts and lunches by the LMSD Food Services.

Anyone having a 4-year old child and wishing for the child to be tested for the pre-K program must come to Fair Elementary to register the child between 9:00 a.m. and 1:00 p.m. on weekdays March 29 - April 1, 2021. It is not necessary for your child to be present on the day of registration. If all registration materials are presented by the child's guardian(s), an appointment will be assigned for your child to be screened.

To register a child for the pre-k screening, guardians must provide:

- A. Student's Certified Birth Certificate,
- B. Mississippi Immunization Form 121,
- C. Social Child's Security Card (optional),
- D. Two (2) proof of residency (Electric Bill, Water Bill, Gas Bill, Solid Waste Bill, Cable Bill, Voter Registration, Apartment or Home Lease, Mortgage Documents or Property Deed, Automobile Registration).

Parents will be notified by mail by May 1, 2021 if their child was accepted.
