Subject: Request for Quotes

The Louisville Municipal School District will accept quotes for **U.S. History Instruction Support Professional Development** for the 2021-2022 school year. All quotes must be submitted to Belinda Swart via email by October 1, 2021.

Purpose

The purpose of this request is to obtain quotations for professional consultant services to provide training and embedded support for school-site teachers, instructional coaches, and principals (as needed). The consultant services will be scheduled for up to 15 days and occur between October 2021-May 2022.

Scope of Services

The consulting services will include but are not limited to:

- Collaborate within the district's current Leadership Team to provide services for educating curriculum leaders and teachers at the school-site in strategies to increase teacher capacity, effectiveness and use of data in the U.S. History standards;
- Work with instructional coaches to increase capacity in the area of U.S. History with embedded ELA standards;
- Provide prescriptive services focusing on curriculum, teaching, assessment, and student learning;
- Provide training on how to embed technology in the U.S. History classroom;
- Assist in the development of standards-based curriculum planning and instruction for all students among the staff and administration of the school, as needed;
- Provide evidence-based research to comply with Every Students Succeeds Act (ESSA) listing the effect of services provided and the likelihood that those services will yield high results;
- Provide administration with reports of the consultant's actions, observations, and suggestions; In addition, provide a mid-year and end-of-the-year evaluation of services (note: the "work reports" must be sent with the invoices);

Delivery of Services

15 days minimal proposed, not to exceed 30 days

Selection Process

Quotes will be evaluated based on the scope of services, experience, favorable references, and services available.
